

1SEO Technologies Participates in 2017 Bristol Borough Spring Cleanup

Staff members of 1SEO Technologies in Bristol, PA, participated in an annual cleanup event this past April.

BRISTOL, PA, UNITED STATES, May 8, 2017 /EINPresswire.com/ -- In an effort to help Bristol Borough stay beautiful, the community where [1SEO Technologies](#) is headquartered, employees of the company participated in the annual spring cleanup event.

The cleanup occurred on April 29 and was sponsored by Keep Bristol Beautiful and the Discover, Learn and Grow Center. About a dozen employees helped participate in the cleanup, picking up garbage along the Delaware River.

"We wanted to get involved in the community, and with a town cleanup happening right in our backyard, we thought this was the perfect event," said President Scott Fcasni. "I feel like we had a great turnout from the staff and were well represented in our community."

1SEO Technologies is a managed IT services provider offering [business IT support](#) for local small and mid-sized companies. Recently moving to Bristol Borough in the Lennox Building, 1SEO Technologies was hands-on in becoming involved.

"We were actively seeking a way to help our new community, showing them that we care about them and appreciate them welcoming us," said Fcasni. "We were happy to do our part, and will look for more events to get involved with."

The company aims to be the go-to source for all IT and technology related issues. They focus on

customer service, going above and beyond to find a solution to all problems, increasing productivity and minimizing downtime. Their [small business IT consulting services in Bucks County, PA](#) benefit their client's performance to improve business operations.
