CHCS is the largest health care system in the Carolinas and one of the country's largest public systems. As of January 31, 2016, it had more than 60,000 employees and more than 2,300 physicians, and it owned, leased or managed 39 hospitals for a total 7,640 beds in the Carolinas. Its network comprises nearly 800 care locations, including academic medical centers, hospitals, physician practices, home health agencies, surgical and rehabilitation centers, hospice and other providers. CHCS' hub hospital in Charlotte is a 1,031 bed facility.
