PERTH, WA, AUSTRALIA, May 11, 2017
/EINPresswire.com/ -- [Coastal Fencing](#) is now offering more services for Glass Pool Fencing. Some of the options include:

- Glass and glazing
- Frameless glass fencing
- Glass panel installation
- Balustrade fence installation
- Semi-frameless glass fences

Coastal Fencing in Perth has a staff of glass glazers that have been chosen to the the job because of their wealth of experience in industry. We only employ members who are highly qualified for the job. We are a top [Fence Contractor](#) in Perth. Our Fencing installers are extremely dedicated to providing our clients with all the information they need for their next fencing project. We take extreme care of every client and work exclusively to achieve the highest result based on our clients needs. You can rest assured that from the time of consultation until the job is done, we communicate and make you confident you have chosen the right company. Make sure to contact us so that you can begin your fencing project as soon as possible.

Servicing all of Perth, our frameless [glass pool fencing Perth](#) is our most luxurious and sophisticated pool fencing option. This elegant frameless fencing option opens the view of your pool and the landscape surrounding it.

Safety being our first concern, we use an A class 12mm toughened safety glass exceeding the Australian standards for your peace of mind. These panels come with multiple fixing options to suit your need. Most commonly they are mounted to spigots on the ground, pin fixed on a sidewall or channel fixed. Installation can be made on almost all surfaces. Gates are mounted with Polaris soft close hinges currently the best hinges on the market.

We are happy to assist you with any personal need such as customized curved or bent glass. Custom glass is increasing in popularity to fit the design of our homes.
