

# Dr. John Corey and Dr. Peter Then Achieve LANAP Regenerative Specialist Certification

*People suffering from Gum Disease in Portland Maine now have a laser treatment option – the LANAP protocol – with quicker recovery.*

PORTLAND, ME, UNITED STATES, May 15, 2017 /EINPresswire.com/ -- [Corey + Then Periodontics and Dental Implants](#) now offers the FDA Cleared LANAP and LAPIP protocols to treat gum disease and ailing dental implants in Portland Maine.

“We extensively researched the treatment options that would help our patients the most,” said Dr. Peter Then, DMD located in Portland Maine “We’re very excited about LANAP® treatment for gum disease because it impacts our patient’s total health. The treatment is patient friendly, with little discomfort, short recovery time, and best of all targets the inflammatory bacteria causing gum disease without harming healthy tissue. Simply put – it’s faster, more comfortable, and extremely effective in battling gum disease.”

NEW ENGLAND REGIONAL SEATTLE STUDY CLUB  
EXCELLENCE IN COMPREHENSIVE DENTISTRY

“

Simply put – the LANAP protocol is faster, more comfortable, and extremely effective in battling gum disease”

*Peter Then, DMD*

As specialists in dental implant therapy and the treatment of gum disease, and founders of the [Casco Bay Study Club](#), Dr. John Corey and Dr. Peter Then have earned the respect of their colleagues and patients for their commitment to exceptional patient care. Adding the LANAP protocol as a minimally-invasive regenerative treatment demonstrates their commitment to state of the art care.

The LANAP protocol can be performed in as little as one treatment session, and is safe with patients with health

concerns such as diabetes, heart disease, and hemophilia. It is the only laser gum disease treatment FDA Cleared to regenerate the bone and tissues lost to gum disease.

“We are excited to offer the LANAP protocol to our community and discuss it with our referring dentists at our [7th bi-annual New England Regional Seattle Study Club Symposium](#) Friday and Saturday May 19-20, 2017 at the Wentworth by the Sea in New Castle, New Hampshire;” adds Dr. John Corey, DMD.

For information on the LANAP protocol or NERSCC, call Corey + Then Periodontics at (207) 774-5527.
