Covered in this report

The report covers the present scenario and the growth prospects of the global military infrastructure and logistics market for 2016-2020. To calculate the market size, the report considers the revenue generated from outsourced services that are provided by the defense contractors to the military infrastructure and logistics market.

The market is divided into the following segments based on geography:

- Americas
- APAC
- Europe

- MEA

The report, Global Military Infrastructure and Logistics Market 2016-2020, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors

- AECOM
- ANHAM
- DynCorp International
- KBR
- Lockheed Martin

Other prominent vendors

- American International Contractors
- Aselsan
- Cabletel
- Claxton Logistics
- Fluor
- GENCO
- Honeywell International
- Klinge
- Mantech International
- Minrav
- One Network
- Reeves

Market driver

- Growth in defense spending in BRICS
- For a full, detailed list, view our report

Market challenge

- Sequester caps on military expenditure in developed countries
- For a full, detailed list, view our report

Market trend

- Increased adoption of integrated vehicle health management (IVHM) system and commercial off-the-shelf (COTS) software
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2020 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?

Table Of Contents – Major Key Points

PART 01: Executive summary

- Highlights

PART 02: Scope of the report

- Market overview
- Top-vendor offerings

PART 03: Market research methodology

- Research methodology
- Economic indicators

PART 04: Introduction

- Key market highlights

PART 05: Market landscape

- Market overview
- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by solutions

- Global military infrastructure and logistics market by solutions
- Global military infrastructure market
- Global military logistics services market
- Global military FMS market

PART 07: Geographical segmentation

- Geographical segmentation of global military infrastructure and logistics market 2015-2020
- Military infrastructure and logistics market in Americas
- Military infrastructure and logistics market in APAC
- Military infrastructure and logistics market in Europe
- Military infrastructure and logistics market in MEA

PART 08: Market drivers

- Infrastructure modernization programs
- Growth in defense spending in BRICS
- Threats to national security
- Growing maritime aggression in South China Sea

PART 09: Impact of drivers

PART 10: Market challenges

- Sequester caps on military expenditure in developed countries
- Maintenance costs associated with military bases
- Construction constraints
- Supply chain complexities
