

MIE Solutions Announces New Software Developer

*Fast Growing ERP Industry Company
Strengthens Resources*

GARDEN GROVE, CA, USA, May 18, 2017 /EINPresswire.com/ -- MIE Solutions (www.mie-solutions.com), a leading supplier of advanced technology for the manufacturing community, is pleased to announce that Van Le has joined the Company as Software Developer.

Van reports to Vice President of Operations, Huy Do, and took up this post with immediate effect. Van joins MIE Solutions expanding team of software developers.

Van has 5+ years of experience in software development and testing experience and possesses a strong working knowledge of Object-oriented programming.

Van graduated at The College of Brockport in Brockport, NY with a B.S. in Computer Science with a 3.7 GPA and was on the Dean's List every semester.

Huy Do, Vice President of Development, said: "We am delighted to have Van join our development team. He brings a wealth of technical experience that will really help us continue to drive forward our ambitious development plans."
