LoudMouth News Radio

Loudmouth News began as a two-minute syndicated news program and quickly grew to a five-minute segment running as news on a variety of stations across the nation. Due to its rapid adoption by stations that previously chose not to air the subject matter and the show's popularity in addition to the short news breaks, the format has been extended to a full hour minus commercial breaks. The new format can be listened to at www.loudmouthnews.com and on increasing number of stations throughout the country.

www.loudmouthnews.com makes a plethora of information available regarding the legalized cannabis industry. It also links to the Loudmouth News radio episodes and media produced for the public domain. The site is updated every day with an aggregation of all the news that is relevant to consumers, producers, and investors of private and public companies in the rapidly growing legal marijuana market sector. www.loudmouthnews.com
