

Global Batteries Manufacturing Market 2017 Size, Development Status, Type and Application, Segmentation, Forecast by 2022

WiseGuyReports.com adds "Batteries Manufacturing Market 2017 Global Analysis, Growth, Opportunities Research Report Forecasting to 2022" reports to its database.

PUNE, INDIA, May 18, 2017 /EINPresswire.com/
-- [Batteries Manufacturing Market](#):

Executive Summary

Increased demand for clean energy was considered to be one of the trends shaping the batteries manufacturing market. With increasing global warming and consequent rise in government regulations, the demand for clean energy is increasing. Clean energy refers to energy generated from natural sources such as sunlight, wind and others. Renewable energy systems process energy from natural sources into usable forms and store in batteries for use at a later point of time. The Batteries used in renewable energy systems include lead acid batteries, lithium-ion batteries and others.

Batteries Manufacturing Market Global Briefing provides strategists, marketers and senior management with the critical information they need to assess the global batteries manufacturing market.

Description

Batteries Manufacturing Market Global Briefing Report from The Business Research Company covers market characteristics, size and growth, segmentation, regional breakdowns, competitive landscape, market shares, trends and strategies for this market.

The market characteristics section of the report defines and explains the market.

The market size section gives the batteries manufacturing market revenues, covering both the historic growth of the market and forecasting the future.

Drivers and restraints looks at the external factors supporting and controlling the growth of the market.

Market segmentations break down the key sub sectors which make up the market. The regional breakdowns section gives the size of the market geographically.

Competitive landscape gives a description of the competitive nature of the market, market shares, and a description of the leading companies. Key financial deals which have shaped the market in the last three years are identified.

The trends and strategies section highlights the likely future developments in the batteries manufacturing market and suggests approaches.

Scope

Markets Covered: Primary Batteries And Secondary Batteries

Companies Mentioned: Panasonic Corporation, Johnson Controls, GS Yuasa, EnerSys, East Penn Manufacturing, Sony, Energizer, Exide Technologies, SAFT, and Spectrum (Rayovac)

Geographic scope: Asia Pacific, North America, Western Europe, Eastern Europe, South America, Middle East and Africa.

Time series: Five years historic and forecast.

Data: Market value in \$ billions.

Data segmentations: Regional breakdowns, market share of competitors, key sub segments.

Sourcing and Referencing: Data and analysis throughout the report is sourced using end notes.

Table of Contents

Batteries Manufacturing Market Characteristics	5
Batteries Manufacturing Market Historic Growth	6
Batteries Manufacturing Market Forecast Growth	7
Batteries Manufacturing Market Segmentation	8
Global Batteries Manufacturing Market Size, Split By Segments, 2016, \$ Billion	8
Secondary Batteries	8
Primary Batteries	9
Global Batteries Manufacturing Market, Historic And Forecast Growth Rate, By 2012-2020	9
Secondary Batteries	9
Primary Batteries	9
Batteries Manufacturing Market Geography Regional and Country Comparison	10
Global Batteries Manufacturing Market, Split By Regions, 2016	10
Asia Pacific	11
North America	11
Western Europe	11

South America	11
Global Batteries Manufacturing Market, Historic And Forecast Growth Rate, Split By Region, 2012-2020	12
Asia Pacific	13
Middle East	13
Western Europe	13
Global Batteries Manufacturing Market, Split By Country, 2016	14
China	15
The USA	15
Japan	15
Brazil	15
Global Batteries Manufacturing Market, Historic And Forecast Growth Rate, Split By Country, 2012-2020	16
India	17
The UK	17
China	17
Brazil	17
Batteries Manufacturing Market Competitive Landscape	18
Panasonic Corporation	19
Johnson Controls	20
GS Yuasa	20
Batteries Manufacturing Market Key Mergers and Acquisitions	22
Total Acquired Saft	22
GS Yuasa Acquired Panasonic Storage Battery Co., Ltd.	22
Murata Acquired Sony's Battery Business	22
Dyson Acquired Sakti3	22
EnerSys Acquires Enser Corporation	22
Batteries Manufacturing Market Trends and Strategies	23
Batteries For Clean Energy	23
Absorbent Glass Mat (AGM) Batteries	23
Robots Complementing Workers	23
Increased M&A Activity	24
Technological Advances In Mobile Batteries	24
Appendix	25
NAICS Definition of Industry Covered in This Report	25
Research Methodology	25
Abbreviations	26
Currencies	26
Research Inquiries	26
The Business Research Company	26
Copyright and Disclaimer	26

Reasons to Purchase

Get up to date information available on the Batteries Manufacturing market globally.

Identify growth segments and opportunities.

Facilitate decision making on the basis of historic and forecast data and understand the drivers and restraints on the market.

Develop strategies based on likely future developments.

Gain a global perspective on the development of the market.
