

Massage Experts Franchising Ltd. Announces 12th Canadian Clinic in Windsor, Ontario

Massage Experts Welcomes its Newest Canadian Location, Massage Experts Windsor South

WINDSOR, ONTARIO, CANADA, May 18, 2017 /EINPresswire.com/ -- Massage Experts welcomes its 12th Canadian location, Massage Experts Windsor South. Having opened on December 6, 2016, Massage Experts Windsor South is excited to welcome you to their modern and inviting clinic. They are conveniently located at 3194 Dougall Ave, next to C.I.B.C.

Massage Experts Windsor South will provide Registered Massage Therapists who will offer both Therapeutic Massage and Relax'Ology Massage Services, along with Prenatal Massage, and Hot Stone Massage. They will also have Aestheticians providing Repêchage Facials, Waxing, and ST. TROPEZ Air Brush Tanning.

In addition to offering a \$49.00 First Visit Rate, Massage Experts Windsor South also provides 1 AIR MILES® Rewards Mile* for every \$20 you spend on all products and services. They also offer direct billing to most major insurance companies; meaning you could pay anywhere from \$0 - \$15 out-of-pocket per service, depending on your insurance coverage or benefits.

Local franchisees Karen & Gord Ranisavljevic have a strong background in creating, operating, and supporting local business. After much diligence in deciding what their next business would be, they came upon Massage Experts and chose the business based on being able to help their community. They decided that the look, feel, and warmth of the brand aligned with their business goals, and have been excited about the community's welcoming spirit, since their opening.

"After a devastating, motor vehicle accident, I had no choice but to try Massage Therapy. I was in constant pain and discomfort", says Gord. "It changed my life. I'm the biggest ambassador now for this natural modality. I can't even express to you just how much it helped me through. I would not be standing here and running a new business today without it."

Karen Ranisavljevic knows all too well the benefits of massage after 12-16 hours shifts, on her feet for many years, as a Registered Nurse. "Massage Therapy helped me immensely. Some days I didn't feel I would be able to stand the next day. I sought out a Massage Therapist and took this hour for me, to feel better, and I looked forward to it, sometimes every few weeks. I did not want pain killers that just masked my symptoms. I needed to help the root cause, so that in turn I could help my patients", shares Karen.

With such dynamic growth since their opening in 2013, Massage Experts Franchising Ltd. anticipates having 20 clinics open from coast-to-coast within the next year.

"Our business model welcomes clients who are members or non-members, at terrific and competitive prices. Our Club MEx offers even further discounts based on a monthly commitment", states Clayton Hamilton, President & CEO, Massage Experts Franchising Ltd.

Bookings are easily made online, via a mobile device, by email, by phone, or on the Facebook APP.
