Just so you know who we are, our company was founded by Peter Boykin & Viktoria L Colvin, our mission is to support and ensure True Freedom of Speech. Additionally our goal is to bring fun and excitement into American Activism through events such as; The Inaugural Deploraball, March4Trump: Washington DC, Las Vegas, Oklahoma City, Phoenix & Mar-a-Lago, and now The MAGA Awards.

Our goal is to peacefully unite all people in honor of America, despite differences. What first started out as a single March in Washington D.C. has now grown into a nationwide movement to bring forth change and stop the division growing within our own borders.

There have been protests that did not meet the “Peaceful Assembly” requirements with violence in the streets, buildings smashed, cars set on fire, and Trump supporters assaulted. American citizens wearing masks, throwing rocks, smashing windows, littering, starting fires, dressing in black or derogatory costumes and signs with the intent to cause physical or emotional harm. Our goal is to change this and unite all the people of Our Great Country.

We’re unifying in honor of The United States of America and for all Americans; all people, regardless of race, religion, sexual orientation, age, or political affiliation are invited to participate. We the people, as One Nation Under God, invite you to set aside differences and join us.
