

# Iowa Mesothelioma Victims Center Now Urges a Power Plant Worker or Navy Veteran in Iowa To Call Them to Ensure They Have Direct Access to The Nation's Top Compensation Lawyers

NEW YORK, NEW YORK, USA, May 30, 2017 /EINPresswire.com/ -- The Iowa Mesothelioma Victims Center says, "We are urging a power plant worker in Iowa who has just been diagnosed with mesothelioma or their family members to call us anytime at 800-714-0303 to ensure they are talking directly to the nation's most capable, skilled and experienced mesothelioma attorneys, A mesothelioma compensation claim involving a power plant worker in Iowa could easily be worth hundreds of thousands of dollars or more a we would discuss anytime.

"For some reason when people hear the word mesothelioma compensation they mistakenly think monthly Social Security Disability payments or in the case of Navy VA benefits. They do not realize the compensation could be in the hundreds of thousands of dollars or more. The reason we put such a premium on a person with mesothelioma having one of the nation's most skilled and experienced mesothelioma attorneys is because without one-it is very likely they will not get properly compensated." <http://Iowa.MesotheliomaVictimsCenter.Com>

Individuals with mesothelioma in Iowa could have been exposed to asbestos while serving in the US Navy, or while working at a power plant, as a plumber, a boiler technician, an insulator, as an auto repairman, as an electrician, or in the construction industry. In most cases, the exposure to asbestos caused mesothelioma at one of these types of workplaces and the exposure took place in the 1950's, 1960's, 1970's, or 1980's. Mesothelioma typically takes three to five decades to develop. <http://Iowa.MesotheliomaVictimsCenter.Com>

The states with the highest incidence of mesothelioma include Pennsylvania, Massachusetts, Maine, New Jersey, West Virginia, Florida, Wyoming, and Washington. However, mesothelioma does happen in Iowa as the Iowa Mesothelioma Victims Center would like to explain anytime at 800-714-0303.

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <http://www.nlm.nih.gov/medlineplus/mesothelioma.html>
