

Bitcoin Products Online launches website with over 20,000 products for the Marine, RV and outdoor adventure market

We have a huge selection of products for the RV, Marine and outdoor adventures. We Only accept Bitcoin as the only form of payment and export globally.

BOCA RATON, FLORIDA, UNITED STATES, May 20, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- As the cryptocurrency continues to expand in the digital world, there are many looking to take advantage of this and position themselves for the long term growth. Most of these start ups are associated with the finance and online sector, however there are not many retailers that are fully supporting the Bitcoin economy.

The team behind the highly successful online retail store www.12volttechnology.com has developed a new store exclusively targeting the Bitcoin economy which allows people to purchase a huge selection of products. The website www.bitcoinproducts.online showcases a massive selection of products ranging from [battery chargers](#), inverters, communications, entertainment, marine navigation, electrical, marine hardware, boat outfitting, Automotive and RV accessories.

“

We have a huge selection of over 20,000 products for the Automotive, Marine and Outdoor Adventures. We are here to help support the Bitcoin economy and we accept Bitcoin as the only form of payment.”

What is also amazing is they have been able to secure product access to some of the worlds best brands within these industries such as Fusion, Raymarine, KVH, Garmin, Majestic Global, Victron, Promariner, Mastervolt, Camco, Furuno, Si-Tex, Coleman, Lowrance Humminbird, Navico, King Dome and many others.

“We have a huge selection of over 20,000 products for the Automotive, Marine and Outdoor Adventures. We are here to help support the Bitcoin economy and we accept Bitcoin as the only form of payment and we export globally.” says Paul Goldman. With the history and sales from 12 Volt Technology

being successful the team at [Bitcoin Products Online](#) believe that offering this huge selection to the dedicated Bitcoin fans that they too will take full advantage of this.

Bitcoin Products Online has taken it one step further, they also offer an affiliate program that allows people to promote their website and earn either Bitcoins or Points which allows them to exchange the points for any of the products they sell. The staff working at Bitcoin Products Online are very excited with the support and feedback they have received given the short term it has been up and running.

Setting up the logistics and inventory was a major mission, however the technology implemented has allowed Bitcoin Products Online to display the quantity of units they have of each item available, and with same day shipping for all order placed before 2pm EST you can be assured quick delivery.

So if you are looking at getting something for the summer boating season, RV driving season or even the outdoors take a few minutes to check out the huge selection of products and see the great offers they have, never know you just might find yourself more bargains than you expected.
