

An Open Letter to President Trump.

You are one of a kind leader. You have what it takes. Leaders throughout history who were able to bring real progress, all had a similar personality.

RIDGEFIELD PARK, NJ, USA, May 21, 2017 /EINPresswire.com/ -- Dear President Trump:

All this advice that you are getting to manage and control your emotions is never going to be effective and you will keep speaking off the cuff and getting into these awkward situations. These experts keep telling you that 'all' of you has this problem. The fact is that only a small part of you has this problem. You have an over the top brilliant [mind](#) along with an emotionally challenged [brain](#) (a prerequisite for all great leadership); that just has to be harnessed to generate spectacular successes.

“

You have the perfect brain-mind combination; just like the greatest world leaders throughout history.”

Sajid Khan; You have the power to make the world great!

Throughout history, the greatest leaders like Lincoln, Roosevelt, [Gandhi](#) and Einstein etc. all had this same brain-mind combination like your own. These were the ones who brought about the greatest progress for all mankind and so can you.

Please allow me to show you how to harness your kind of rare brain-mind power.

Please let me help you fully milk your unique brain-mind potential.

Another issue that most Americans need to solve is deep brain relaxation. Please let me show you how to fix this problem too; for you and your team. Imagine coming to every event with a fully relaxed brain, mind, and body!
