*GameOnTV launches top class Esports streaming*

LONDON, UNITED KINGDOM, May 22, 2017 /EINPresswire.com/ -- A new [streaming](#) service sets out to make watching Esports a top class experience with proper schedules 24/7 and notifications. [GameOnTV](#) are now launching.

The Esports scene is just growing and growing - Newzoo estimates that total revenues excluding Esports betting will grow from \$325 million in 2016, to \$1.488 billion in 2020.

Newzoo also breaks down the demographic details of the Esports fan base. It determined that around half is between the ages of 21 and 35, with 71 percent male.

These figures confirm earlier research that Esports fans are generally older than the common perception.

“

We strive to provide the best, most up to date schedules and streams to our users.”

GameOnTV

GameOnTV are a new Esports service that provides high-quality streaming with a clear schedule and an easy to use overview for the viewer.

- We strive to provide the best, most up to date schedules and streams to our users, and to enhance the viewing experience

with casual betting on key games, says co-founder Dan Vikman.

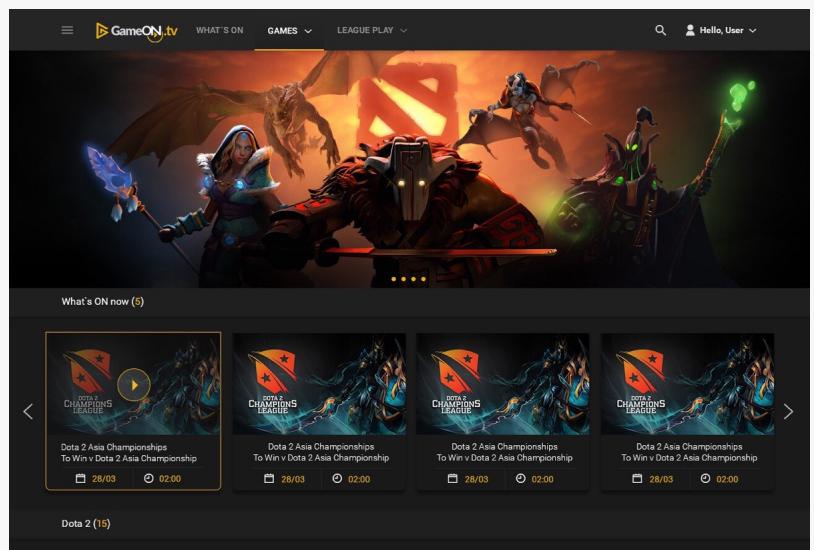

- It is our firm belief that everyone deserves the opportunity to enjoy Esports without the hassle of looking through a vast array of live streaming services which are cluttered, he continues.

GameOnTV provide only the highest quality content from the streaming sector of Esports - and always live with the best tournaments and matches from the most popular Esports games, such as Counter-Strike, League of Legends, Dota, Hearthstone and Call of Duty.

After first launching on [gameontv.co.uk](#), GameOnTV is now also live on [gameontv.com](#).
