THE PARTNERSHIP BRINGS FORTH THE FIRST FULLY AUTOMATED HIPAA COMPLIANCE SOLUTION FOR EYE CARE SEAMLESSLY FLINTEGRATED INTO PRACTICE MANAGEMENT AND EHR SOFTWARE

TAMPA, FL, UNITED STATES, May 23, 2017 /EINPresswire.com/ -- [Eyefinity](#)®, a leader in practice management software for eye care professionals, today announced a formal partnership with [Abyde](#) - a Tampa, Florida based technology start-up that has developed an easy-to-use HIPAA compliance management application. The partnership will provide Eyefinity customers with an intuitive and automated approach to managing ever-changing HIPAA regulations.

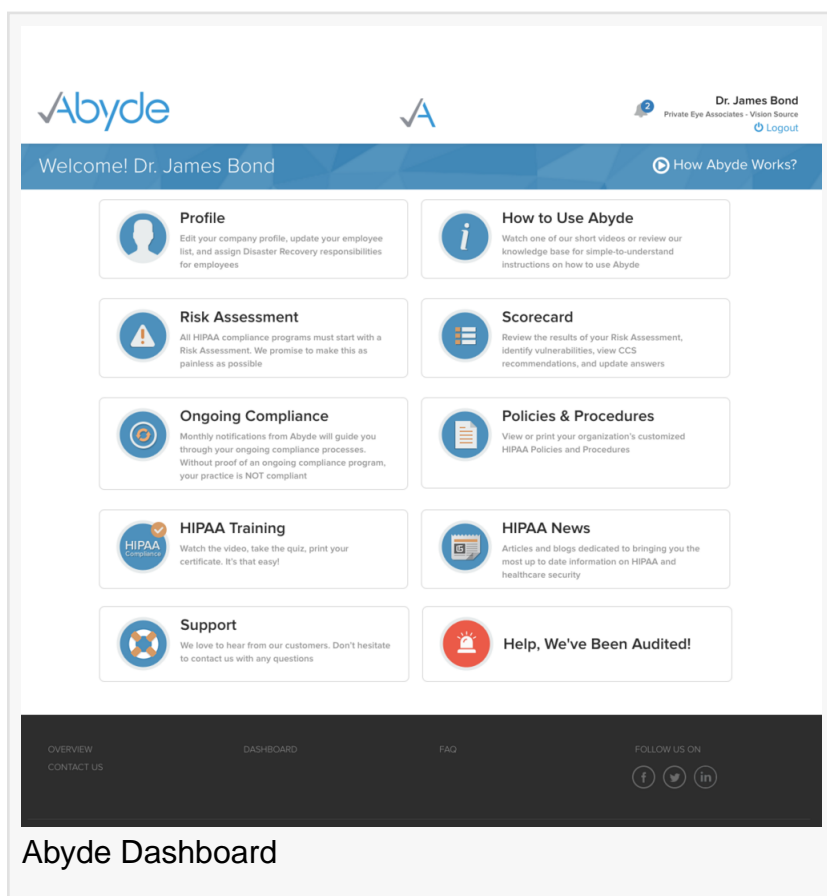

“Doctors tell us that they would like their Eyefinity products and services to seamlessly blend into the background of their practices’ operations so that patient care can continue to be at the forefront. That is always our goal,” said Steve Baker, Eyefinity President. “Regulatory compliance is crucial and our new partnership with Abyde furthers our mission so that checking the box here doesn’t take away from any time spent with patients.”

“

We are confident thousands of practices across the country will reap the rewards of this collaboration for many years to come.”

Matt DiBlasi, Abyde President

Abyde is a revolutionary, cloud-based software solution that enables eye care professionals to easily attain and sustain internal HIPAA compliance programs by walking them through the Risk Analysis, ongoing compliance, policy, procedure, and HIPAA training requirements. Users will be notified via email when they need to address a compliance item. The program will then require a log in, the answering of a few questions and at the end of the process Abyde then will automatically generate all documentation necessary to meet the Meaningful
