*Crafted for Community: Oregon brewery's huge mobile block party makes its 2017 debut in Ohio to help local nonprofits*

CINCINNATI, OHIO, USA, May 23, 2017 /EINPresswire.com/ -- [Deschutes Brewery](#) is bringing the pub to the people once again in 2017 with its National Street Pub Tour. The 400-foot-long Street Pub will make its first stop of the year in Cincinnati, Ohio on June 24th from 2-10 p.m. at The Banks on 2nd and Vine. This year, the brewery has added title partners that share its culture, sustainability and philanthropic goals: Hydro Flask, Humm Kombucha and KEEN Footwear. In Cincinnati, Deschutes Brewery and its partners will work to raise money for the Starfire Council, connecting the community with people who have disabilities, and The Schubert-Martin IBD Center at Cincinnati Children's, through their Giving Hope program, caring for patients with Crohn's Disease and Ulcerative Colitis.

Not only will there be a huge selection of Deschutes Brewery beers flowing from the Street Pub's multitude of taps, but visitors can find guest taps from local Moerlein Lager House and Blake's Hard Cider. Culinary delights are in the works for all the foodies out there from Deschutes Brewery's Corporate Executive Chef, Jeff Usinowicz, who is teaming up with Cincinnati's own Chef Joe Lanni, co-founder of the Thunderdome Group and Chef Jared Bennett of Metropole.

#### About Starfire Council

Starfire is a community building organization unique to Cincinnati that believes in celebrating every person's interests, skills, and passions. Starfire is leading the way for people to form deeper relationships in community with people with disabilities. By focusing on strengths and supporting people in becoming the best version of themselves through valued life experiences, Starfire is able to tell a new story about community. Starfire believes people's skills and passions are bigger than their labels. We build stronger social networks together with families, staff, and people with the label of disability by seeking each person's gifts and connecting them to others who have similar interests.

#### About Giving Hope (Raising Funds for Cincinnati Children's Hospital)

Giving Hope is a community philanthropy program for Cincinnati Children's that allows community members, employees, patients, families – anyone – to host a fundraising event that benefits a specific department or division, or the medical center as a whole. This event will benefit the Schubert-Martin Inflammatory Bowel Disease / IBD Center at Cincinnati Children's. This center provides a focused, team approach to individualized diagnosis and treatment for patients with Crohn's Disease and Ulcerative Colitis. Their treatment is based on research and evidence to achieve outcomes that are among the best when compared to other high-volume IBD programs in the United States. The IBD center cares for over 800 patients each year and the proceeds of this event will help fund education for these patients and families.

Known for its generous use of whole hops in its defining beers such as Black Butte Porter, Mirror Pond Pale Ale, and Fresh Squeezed IPA, the brewery also keeps fans on the edge of their bar stools with the release of small batch experimental beers each season. Now available in 29 states and Washington D.C., Deschutes' flagship brewpub has been joined by a main brewing facility overlooking the Deschutes River in Bend, a pub in Portland, and coming in 2021, a new east coast brewery in Roanoke, Virginia.
