

Freeze Drying Agenda Released for Lyophilization USA 2017

Lyophilization USA returns to New Jersey this fall, featuring talks from Johnson & Johnson, GSK, Genentech, Bayer Consumer Care and Arlanda

NEW JERSEY, ISELIN, USA, May 24, 2017

/EINPresswire.com/ -- Building on the success of its global portfolio of pharmaceutical events, SMi Group are delighted to announce the return of [Lyophilization USA](http://www.lyophilization-usa.com) taking place on November 16th – 17th Iselin, New Jersey.

Pharmaceutical companies are still dedicating research efforts on freeze-drying technologies, commerciality of scaling up and homogeneity of product quality remain top concerns. Lyophilization USA will gather leading experts from top pharma companies to discuss the latest cutting edge developments in freeze drying, as well as solutions to on-going industry challenges.

Key Topics Addressed:

- The impact of controlled nucleation on product quality and the technology being used for controlled ice nucleation.
- Examining the development and scale up of a freeze-drying cycle for biotherapeutics.
- Highlighting the approaches to effective holistic packaging and innovative design.
