

# Oil & Gas Separator Market to Grow at 5% Annually from 2016 and 2022- Key Players Profiles, Application and Forecast

*Oil & Gas Separator Market by Technology (Gravitational & Centrifugal), Types (Two-Phase, Three-Phase), Application (Onshore, Offshore) and Region-Forecast 2022*

PUNE, MAHARASHTRA, INDIA, May 24, 2017 /EINPresswire.com/ -- Market Highlights

“ We enable our customers to unravel the complexity.”

Market Research Future

Oil & Gas separator is basically a pressure vessel used for separating a well stream into gaseous and liquid components. They are installed either in an onshore processing station or on an offshore platform. Based on vessel configuration, it is divided into horizontal, vertical & spherical separator. Increasing E&P activities in conventional & unconventional reservoirs in onshore & offshore location along with increased level of water production in tight reservoirs is expected to increase the oil & gas separator market.

Key Players in market are Pall Corporation, ACS Manufacturing, Honeywell International, Unidgo Spa, Hamworthy, Sulzer, FMC Technologies, Alfa Laval, and Andritz”

*Market Research Future*

The [Global Oil & Gas Separator Market](#) is expected to grow at a CAGR of about 5% during the forecast period, 2016 to 2022.

North America region is a major shareholder of the Oil & Gas Separator Market and expected to retain its majority

during the forecast period. Asia-Pacific region is expected to grow at fastest pace during the forecast period.

## Key Players

The leading players in the Oil & Gas Separator Market are:

- Pall Corporation
- ACS Manufacturing
- Honeywell International
- Unidgo Spa
- Hamworthy
- Sulzer
- FMC Technologies
- Alfa Laval
- Andritz

## Scope of the report

This study provides an overview of the Oil & gas separator industry, tracking market segments across the categorized five geographic regions. The report provides a six-year forecast for the market size in terms of value for North America, Europe, Asia-Pacific, Middle East & Africa, and South America. The scope of the study segments the Oil & gas separator market based on Technology, Type, & Application.

## About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.

In order to stay updated with technology and work process of the industry, MRFR often plans & conducts meet with the industry experts and industrial visits for its research analyst members.
