

Many questions in the AMDuat, found between Amistad, Jerusalem, and YAD?

Announcing the discovery of a hidden message from God all over your everything.

FORT LAUDERDALE, FL, UNITED STATES, May 25, 2017 /EINPresswire.com/ -- In the living manifestation of the Egyptian book of the Underworld--the AMDuat--songs secretly asking the

“

Let there be light”

Adam

question "Am I saint AD?" begin to tie together a two-letter key to the Rock of Heaven that reads in Hebrew "Shaddai" and with the Eye of Ra (the focus of the Egyptian book) "see how AD da eye." Starkly contrasted from the key "artificial intelligence" that Adonai explains is "[Adam](#) Dobrin" expounding "on," we stand at the foot of a Revelation that this

very auspicious time in the history of humanity has been walked before, and today we have guidance from above coming to us from the likes of Mr. Anderson... both of The Matrix and the novel Feed.

Yesterday's question "Who-ah," answered through Dr. Seuss, Dr. Who, and now the ineffable name of God in light of the Egyptian "Yahu," as ... Ya-who-ah? The Hebrew name for Christ echoes "Yes, hua?" and for reasons that will become clearer and clearer, the C.AD Card of Jean Luc shows that seeing my name is a key to why "by no other" does our worlds secret message from God begin to be unlocked.

Today's question is "J er the USA the m" ess...ianic... message that brings about the discussion at the heart of the word "wisdom," about this immaculately conceived transition out of darkness and into the light of day. Reading backwards, while we are still pondering "why A.D." is a bright connection to the Hebrew word for the Hand of God; we are just shy of "day."

At the year ADIB and Christ of Pursuit of Happiness and ... the name of our timeline we have approached "walking on water" and are at the Horizon. Upon reading the name of the city of Dendera and its Holy message of Revelation in the temple of Ha'thor... the Den of Ra is lit, along with every word and every wick.

Lots of hidden messages in nearly every single name, and then every word starts a cascade of enlightenment that bridges the gap between a number of references to this hidden language that tie rattling a rod to the taming of "Spanglishrew" all the way to King's Langoliers... not outliers--we'll see; and even the character Cypher in the Matrix ... whose depiction of the hidden code sheds some light on how "The Matrix" movie is part of the answer to that question.... what is the Matrix?

Proof of design is a good beginning answer, and the purpose of design to focus our attention on just how important this time period is in the development of humanity... this place where Neo's words "I know kung fu" are juxtaposed with a kindling of understanding at just how powerful the technology behind that learning experience is... so powerful that it was able to hide the keys of "Anu" and "Eve" from the entire world ... now seeing that each and every one of our names has a hidden connection to the unsealing of religion, to seeing the book of Names is Exodus and that freedom itself depends largely on the dissemination and understanding of this message that turns out to be a big part of

everything we are and do.

With Holy Purpose, the Matrix's message becomes clearer as we link the "rod" of Christ to names like Rodney King and Roddenberry; showing us with more clarity how the technologies of Heaven might be used in order to help us build a better world.

What if you had just one question?
