PUNE, INDIA, May 29, 2017 /EINPresswire.com/
-- [Property & Casualty Reinsurance Market](#):

Executive Summary

Property and Casualty Reinsurance Providers are entities engaged in assuming all or part of the risk associated with existing insurance policies that protect policy holders against future uncertain losses that may occur as a result of property damage or contingent liability originally underwritten by other insurance providers. This includes both government and private owned reinsurance providers. Clients of these reinsurance providers are the direct insurance providers who sell property & casualty insurance policies to the public and fellow reinsurance providers who seek retrocession to reduce/share risk. Distribution can be either through direct selling or an intermediary.

The Property & Casualty Reinsurance Global Market Briefing provides strategists, marketers and senior management with the critical information they need to assess the property & casualty reinsurance sector.
