

# Global Learning Management System Market Trends, Growth, Opportunities and Forecast by 2022

*OrbisResearch.com has published new research report on "Global Learning Management System Market is expected to grow \$17.08 billion by 2022" to its database.*

DALLAS, TEXAS, UNITED STATES, May 30, 2017 /EINPresswire.com/ -- According to Statistics MRC, the [global learning management system market](#) is expected to grow from \$4.27 billion in 2015 to \$17.08 billion by 2022 at a CAGR of 21.9%. The factors that are favoring the market growth are growing adoption of digital learning, improved collaboration between trainers and learners. Additionally, learning management system provides flexible and continuous learning platform for self-improvement. However, technical hurdle in LMS implementation, restricted customization feasibility options for end users are hindering the market growth.

Egypt

What our report offers:

- Market share assessments for the regional and country level segments
- Market share analysis of the top industry players
- Strategic recommendations for the new entrants
- Market forecasts for a minimum of 7 years of all the mentioned segments, sub segments and the regional markets
- Market Trends (Drivers, Constraints, Opportunities, Threats, Challenges, Investment Opportunities, and recommendations)
- Strategic recommendations in key business segments based on the market estimations
- Competitive landscaping mapping the key common trends
- Company profiling with detailed strategies, financials, and recent developments
- Supply chain trends mapping the latest technological advancements

About Us:

Orbis Research (orbisresearch.com) is a single point aid for all your market research requirements. We have vast database of reports from the leading publishers and authors across the globe. We specialize in delivering customized reports as per the requirements of our clients. We have complete information about our publishers and hence are sure about the accuracy of the industries and verticals of their specialization. This helps our clients to map their needs and we produce the perfect required market research study for our clients.
