

GovDirect Adds Panasonic Toughbook 33 to Solution Set

GovDirect is proud to announce the ability to provide our customers with the Panasonic Toughbook® 33.

CLEARWATER, FL, USA, May 30, 2017 /EINPresswire.com/ -- GovDirect is proud to announce the ability to provide our customers with the Panasonic Toughbook® 33. This detachable 2-in-1 boasts a number of firsts, such as being the world's first fully-rugged hybrid laptop with a 3:2 aspect ratio display. Whether you're looking for a tablet-plus-keyboard combo or just in need of a standalone tablet, this is the perfect fit for police, emergency services and government agencies. As a Panasonic Prime Partner, GovDirect can assist in configuration and demo equipment for customers looking to review the product.

“At GovDirect, we pride ourselves on providing our customers with the most reliable products on the market. Our customers range from police officers to military personnel who need to be assured their mobility solutions will work in the field. We have always been confident recommending Panasonic Toughbook and are excited to add the Toughbook 33 to our offerings,” said Danielle Zoz, President, CEO.

GovDirect has been a national solution provider for 6 years, specializing in public sector, government, healthcare and education. A SBA Women Owned Small Business (WOSB) organization we are staffed with technology sales specialists, making us a leader in specialized IT and Audio Visual solutions. Our solutions range from hardware and software products featuring Panasonic Toughbook mobile PCs to complex technology solutions such as virtualization, security, rugged mobility, and cloud computing. For more information on how GovDirect can help you, check out our website at www.govdirect.com, email us at sales@govdirect.com, or call 727-754-2688.
