

FRESHeTECH a True Game Changer in Personal Audio.

Splash Tunes Bluetooth Shower Speaker.

PALM BEACH, FLORIDA, PALM BEACH, May 30, 2017 /EINPresswire.com/ -- The latest line of products from an Orlando Florida start up is a personal speaker complete with Bluetooth Technology and suction cup for mounting on any surface. The speakers which come a variety of colors also offer individual or dual speaker connectivity.

FRESHeTECH, which opened its doors in 2014 is proud of the game changing speakers which join the ranks of other brand lines including head phones and flagship, Drifter, an all-terrain tablet, and entertainment system mountable on a Kayak or Paddle Board with no worries of the elements. The new waterproof speaker line is true to FRESHeTECH's commitment to make products with better sound, quality, and longer life.

Splash Tunes Bluetooth Shower Speaker. Nothing makes a shower or bath experience complete like your favorite podcast or playlist, with this waterproof speaker, you can hit play, skip songs, adjust the volume, and more. Just suction cup it to any surface and you'll always have your tunes within arm's reach.

- Play music or any other audio right through the high powered built-in speaker.
- Connect almost any smartphone to the device via Bluetooth.
- Use the Skip and Back buttons to change songs.
- Answer calls and have conversation through the Bluetooth microphone.
- Easily stick to any surface via suction cup.
- Made with a floating and durable design.
