

Using a Professional Process Server to Deliver a 3-Day Notice to Quit

Service of process is always a delicate operation. It only takes only one false move for any court case to collapse.

LOS ANGELES, CA, UNITED STATES, May 30, 2017 /EINPresswire.com/ -- The service of landlord's [3-day notice to quit](#) to begin an eviction process should be done by a [professional server of process](#). The law allows for the notice to be served by anyone, but the only way to guarantee that service be effectuated properly – and that it will stand up in court – is to use a professional. The professional will also provide a Proof of Service. Never send an amateur to do a professional's job.

“

A landlord should always engage a professional process server to ensure that service is effectuated properly, money is well spent, and receive a proper Proof of Service that can be used in court.”
