Market Research Future

Market Overview

Major Key Players are Happy Alliance (M) Sdn Bhd (Malaysia), Schmecken Agro Food Products (India), Hainan Yeguo Foods Co., Ltd. (China), Siva foods (India)”
Market Research Future

Nata de coco is an organic food product made from coconut milk, coconut water, sugar and acetic acid. Nata de coco has high fiber content and it is a low fat mixture which is free from cholesterol. Nata de coco is produced from fermentation of coconut water and it is originated in Philippines in 1973. Nata de coco has been considered to be a healthy food due to nutritional value as it has a lot of fiber to help in digestion and it gives less calories compared to other desserts in the same amount. It is also used as an ingredient in coconut cakes, soft drinks, fruit salad, ice creams and yogurts. Increasing

application of nata de coco in cosmetic products has boosted the demand and it will change the market dynamics in upcoming years.
