The report, Global Automotive Shocks and Struts Market 2017-2021, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors

- Tenneco
- ZF
- GKN
- Magneti Marelli

Other prominent vendors

- MANDO
- KYB Americas Corporation

Market driver

- Use of advanced optimization techniques for reducing the weight of suspension components.
- For a full, detailed list, view our report

Market challenge

- Growing concerns for increased greenhouse gas emissions from automotive industry.

PART 01: Executive summary

PART 02: Scope of the report

PART 03: Research Methodology

PART 04: Introduction

- Key market highlights
- Introduction of struts in suspension system

PART 05: Market landscape

- Market overview
- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by application

- Global automotive shocks and struts market by application
- Global automotive struts market
- Global automotive shocks absorbers market

PART 07: Geographical segmentation

- Global automotive shocks and struts market by geography
- Automotive shocks and struts market in APAC
- Automotive shocks and struts market in EMEA
- Automotive shocks and struts market in Americas

PART 08: Key leading countries

PART 09: Decision framework

PART 10: Drivers and challenges

- Market drivers
- Impact of drivers on key customer segments
- Market challenges
- Impact of challenges on key customer segments

PART 11: Market trends

- Growing demand for carbon fiber struts

- Suspension links weight reduction process using advanced optimization techniques
 - Growing preference for aluminum forged suspension products
