Author Pens Book Reminding How Courageous You Are

HOLLYWOOD, FL, UNITED STATES, June 1, 2017
/EINPresswire.com/ -- [I Am Somebody Special](#) by author [Jennifer Monroy a.k.a. Jenny Foor](#) pieces together a book that will help change the way we think about finding and making new friends in a new place. The book is essential for children and adults alike searching for their way, who still feel a strange pulling at heartstrings when being uprooted and trying to build a life in a new place. The book discusses natural ways to be completely comfortable, without putting much of an effort.

The book answers questions like, "Have you ever been the new kid in school or the new kid in the neighborhood? Did you have a little bit of trouble making new friends just because nobody knew who you were or thought you were different?" The book allows readers to see themselves through the characters.

Meet Penelope Polar Bear and all of the extra "special" friends she makes throughout the story. It will not only entertain but give hope and inspiration as well as lessons on how to be gentle, appreciate others for who they are both inside and out, find beauty in small things, and find inner strength.

About the Author:

Jenn Monroy a.k.a. "Jenny Foor" is a Florida native who graduated from Florida Atlantic University with a Bachelor's degree in Sociology and Psychology. My heart and soul belongs to children of all ages and backgrounds. My greatest wish is for children to be liked and loved by their peers and those who care for them for who they are on the inside and for what they bring to this world. Physical traits should not matter and children should be encouraged by the community to be proud of where they come from and be proud of any "special" traits they have. All children deserve the opportunity to shine and rise to the top of their class and be friends with whomever they wish. If in the end that person chooses not to be their friend then that is their loss, but each child in this world needs to be proud of the "special" person they are! God made each of us just

I Am Somebody Special

the way we are for a specific reason! May God bless each and every one of you... young and old and always remember ... I Am Somebody Special!
