

Redmond Magazine Publishes Another Article by Jasson Walker, Jr.

LARGO, MD, USA, June 1, 2017
/EINPresswire.com/ -- [cFocus Software](#) announces that Redmond Magazine published another article written by our President & CEO, Jasson Walker, Jr on May 30, 2017.

The article is titled "Protecting Office 365 from Attack" and provides an in-depth analysis of a high profile Office 365 ransomware attack and a strategy to protect against it. The article appears both online (<https://redmondmag.com/articles/2017/06/01/office-365-security.aspx>) and in the June 2017 print edition of the magazine.

"If you use Office 365, you will want to read this article." said Mr. Walker. "It contains valuable insight on how to protect against ransomware and cyber attacks," he said.

About cFocus Software

If you use Office 365, you will want to read this article... It contains valuable insight on how to protect against ransomware and cyber attacks."
