NAIROBI, KENYA AND TANZANIA, June 5, 2017 /EINPresswire.com/ -- Hallmark Travel Planners is offering one of the craziest safari deals ever, on the wildebeest migration safari of 2017. The offer is on a 12 day safari to Kenya and Tanzania, with standard accommodation. And the price is only US\$3660 per person!

This modest price (about US\$330 per night) include a night game drive, and bush dinner, in addition to the usual safari thrills.

Further, if by June 14 2017, you take up the remaining 2 seats on fixed scheduled departure of July 21, you will get a 5% discount, OFF the published price of US\$3660. That means you only pay US\$3477.

The Itinerary

Arrive Nairobi, Kenya and get a 'meet and greet' service upon exiting the customs and migration area. You will be whisked away by a well-trained guide who drives you to your hotel for the night.

After a restful night and a briefing the following morning, begin your African safari with a visit to Amboseli National park, set at the foot of Kilimanjaro. This is Africa's highest mountain.

While at Amboseli you will also enjoy a night game drive, this is rare treat because not many parks and reserves will give you an opportunity for a night game Drive.

After the 2 nights in Amboseli National park located on the Kenyan side, you cross over into Tanzania. You will be spending a night in Lake Manyara National park, known for its tree-climbing lions, flamingos, breathtaking scenery and the soda-ash lake.

Your accommodation is at Lake Manyara Kilimamoja Lodge. This safari lodge is located on the rim of the great African rift valley with stunning views over Lake Manyara, Mount Meru and on a clear day. The lodge is set on pristine lush green gardens and local vegetation with over 130 species of bird.

The next day you move on to Ngorongoro Area where you will enjoy a full day Ngorongoro crater tour. Serengeti National Park is your next home for 2 nights. A stop over at the Ol Duvai Gorge is part of the plan too. After Serengeti, spend the last 3 nights the Masai Mara - a bush dinner is scheduled here.

On the last day, you drive to Nairobi and catch your flight back home.
