

Sex Educator Lord Morpheous Brings Latest Book How to be Knotty: The Essential Guide to Modern Rope Bondage to Europe

NEW YORK, NY, USA, June 5, 2017 /EINPresswire.com/ -- Sex educator, author and photographer Lord Morpheous, who recently released his newest educational book, *How to be Knotty: The Essential Guide to Modern Rope Bondage*, will be traveling throughout Europe to meet fans and introduce his new works.

Morpheous' visit to Europe includes stops in Venice and Padua. "My time in Padua is for a print series I will be working on to visit the The Scrovegni Chapel that Giotto painted in the 13th century that will serve as source material for some limited-edition prints based on renaissance and contemporary iconography." Lord Morpheous will continue his tour through the Tuscan countryside, before heading off to Florence, Crete and Athens.

[HuffPost](#) recently caught up with the author to discuss the inner details of his new book, in a story entitled *This Filthy Lord Helps Couples To Get Knotty*: http://www.huffingtonpost.com/entry/this-filthy-lord-helps-couples-to-get-knotty_us_592ddf36e4b07c4c7313865d

With descriptive step-by-step color photos also shot by the author, Morpheous instructs would-be erotic rope wranglers the exquisite beauty of intertwined fascination and fear, while explaining its historic origins to curious new users. The book also includes a glowing Foreword from adult superstar - and rope bondage enthusiast - Tera Patrick: "Morpheous and his beautiful ways of executing his passion are displayed here... as you peruse through here I hope you will feel it too. You may discover, like I did, how much you did not know before! New ties, tips, tricks! Beautiful women bent and bound before you... breathtaking images..."

While in Europe, a new short documentary *Connections in the Dark* made its debut premiere at the Inside Out LGBT Film Festival in Toronto on Thursday, June 1st. The documentary played as part of the "Local Heroes" short program. *Connections in the Dark*, directed and edited by Raj Ramnauth, probes the ins and outs of the intricate art of rope bondage as presented by the most talented and well-known performers in this tight-knit community.

"The response to the documentary was wonderful," says Morpheous. "I am elated at how people felt about it, and I look forward to having other film festivals include this in their program."

The 15-minute film also focuses on Lord Morpheous, a creative expert in the complex terrain of kink/fetish and bondage, and his 12-hour public art installation *MBE (Morpheous' Bondage Extravaganza)* in Toronto, the largest bondage event in the world, as it celebrates its 10th Annual - and quite possibly final - communal gathering.
