Rudy L. Kusuma the #1 Highest Rated Real Estate Agent in California

“Rudy Kusuma is an amazing realtor and from my personal experience, what I love the most about this guy is that once you sit down with him and agree on a selling price and a deadline, and if that deadline passes, he will buy your house himself.” Said John Kobylt in his live radio show while sharing his thoughts regarding Rudy L. Kusuma Home Selling Team. “Rudy sold Lisa and Gene’s home in Arcadia for \$20,000 more than the asking price in only 12 days.” He added. According to California’s most popular radio host, the Rudy Lira Kusuma Home Selling Team is surprisingly amazing in California when it comes to buying and selling homes.

During the broadcast, John also told his listeners that the homes sold by Rudy sell on an average of \$17,000 more on a \$500,000 home. Moreover, the Rudy L. Kusuma Home Selling Team Reviews have been phenomenal with thousands of homeowners sharing their experiences with Rudy and his team. The best thing about Rudy Lira Kusuma Home Selling Team is that it gives a win-win situation for both buyers and sellers and this is something not done by any other realtor in California.

"We have 15,267 buyers in our database looking for a home in the area and it is likely that the buyer for your home is already in my database." Said Rudy Kusuma in a recent interview while talking about his buyer database. "We sell our clients homes for an average of 3.5% more money compared to the average area agent. On a \$500,000 home, that's an extra \$17,500 more money in your pocket." He added. According to Rudy Lira Kusuma Home Selling Team Reviews, these properties sell three times faster, which is truly remarkable considering the real estate market of California.

Another amazing fact about Rudy Kusuma is that his team sells its clients homes on average in only 29 days while the average area agent sells theirs in 87.9 days. Moreover, the Rudy Lira Kusuma Home Selling Team sells over 20 times more homes than an average agent or service operating in Southern California. In addition, the homes are featured to national as well as international buyers that further increases the value of that property and no other realtor in California does that.
