

The Radicati Group Releases “Cloud Business Email Market, 2017-2021”

New report shows strong adoption of Cloud Business Email and Collaboration with organizations of all sizes

PALO ALTO, CA, USA, June 12, 2017 /EINPresswire.com/ -- Palo Alto, CA – June 12, 2017 – The latest study by The [Radicati Group](#), “Cloud Business Email Market, 2017-2021,” provides an in-depth analysis of the worldwide market for business cloud email and collaboration services. The study includes market trends, installed base and revenue market share by hosting provider, four-year forecasts, multi-tenant vs. dedicated adoption, breakouts by region, business size, and platform type.

Cloud Business Email solutions are seeing strong worldwide adoption, as mid-size and large organizations are increasingly moving to cloud email.”

Sara Radicati

According to the study, Cloud Business Email solutions are seeing strong worldwide adoption, as mid-size and large organizations are increasingly moving to cloud email. The study provides in-depth analysis of market adoption of G Suite, Microsoft Office 365, and Hosted Exchange. Multi-tenant and Dedicated (i.e. private cloud) deployment models are both showing strong growth.

The study includes an analysis of leading Cloud Business Email providers, including: Amazon Web Services, GoDaddy, Google, HyperOffice, IBM, Intermedia, Microsoft, NaviSite, and Rackspace.
