

# The Radicati Group Releases “Email Market, 2017-2021”

*Email continues to show strong growth worldwide, in terms of both users and revenues*

PALO ALTO, CA, USA, June 14, 2017 /EINPresswire.com/ -- Palo Alto, CA – June 14, 2017 – The [Radicati Group](#), Inc.'s latest study, “Email Market, 2017-2021,” gives a complete analysis of the worldwide email market, including the following segments: Enterprise Messaging Platforms, Messaging Platforms for Service Providers, Cloud Business Email, Email Clients and Consumer Email. For each segment, the study provides market size, market share by vendor, and four-year forecasts. Key statistics on the number of email users and accounts worldwide, email traffic growth, and the rate of migration from on-premises to cloud solutions are also provided.

Email remains the most ubiquitous form of communication for both business and consumer users.”

*Sara Radicati*

Email remains the most ubiquitous form of communication for both business and consumer users. Worldwide revenues for the Email Market will top \$23.8 billion in 2017, and grow to over \$46.8 billion by year-end 2021, representing an average annual growth rate of 18%.

The study also provides an analysis of leading vendors in each email market segment, including: Amazon Web Services, Google, IBM, Intermedia, Microsoft, Open-Xchange, Oracle, Synchronoss Messaging, and Synacor (Zimbra).
