

Donna Karlin of No Ceiling Just Sky™ Institute to be Featured on CUTV News Radio

OTTAWA, ONTARIO, CANADA, June 8, 2017 /EINPresswire.com/ -- We're not just human beings, we're humans becoming, always changing, shifting, adapting to new circumstances and challenges.

Global leadership coach, speaker, author and The Shadow Coach® Donna Karlin boasts a 35-year track record of helping people become remarkable. As the Founder and President of the No Ceiling Just Sky™ Institute, Karlin brings a 360-degree perspective to human evolution through a dynamic, strengths-focused, full-circle approach to leadership development.

"I don't want to help people; I want to help people help themselves," says Karlin. "I want to give them as many tools, approaches, insights and perspectives they need in order to feel coached 24/7 when I'm not around and make better choices for themselves."

No Ceiling Just Sky™ Institute is the umbrella organization for A Better Perspective®, Karlin's leadership coaching, consulting and training firm and the School of Shadow Coaching®, through which Karlin has taught her personal coaching methodology on six continents.

"My clients will say I'm a troublemaker, a pot-stirrer," laughs Karlin. "Really what I do is I connect the dots: I connect dots between what people know about themselves and what they don't know about themselves; I connect the dots between people; I connect the dots for people who have an idea that they want to bring to fruition."

“

I want to help people help themselves.”

Donna Karlin

Karlin excels because she works with the entire human being.

"I love working with people who are eager to evolve, whether in their businesses or in their place within a business. Break down barriers and reverse engineer your vision for the future," says Karlin. "I don't give clients what they think they will get, but I give them everything they need."

CUTV News Radio will feature Donna Karlin in an interview with Jim Masters on June 12th at 9am EDT and with Doug Llewelyn on June 19th at 9am EDT.
