

ComforceHealth Exhibiting at the California Health Information Association's Annual Conference

ComforceHealth Exhibiting at the California Health Information Association's Annual Conference

ATLANTA, GEORGIA, UNITED STATES, June 8, 2017 /EINPresswire.com/ -- ComforceHealth will be exhibiting at the California Health Information Association's (CHIA) Annual Conference. The conference will be held at the Sacramento Convention Center in Sacramento, California. ComforceHealth industry experts will be located at booth #714 from June 11 – 14, 2017.

"Attending the CHIA conference is a unique opportunity to interact with HIM professionals and come together as a community to share ideas, challenges, and thought leadership," said Melissa Johnson, ComforceHealth Vice President of Business Development. "We are honored to be part of this event, and we look forward to a wonderful experience!"

The theme of this year's event is "The Power of Health Information," which recognizes health information professionals as stewards of healthcare's greatest asset, health information. This year's event will focus on these ideas: "Create" Health Information; "Manage" Health Information; and "Use" Health Information.

About ComforceHealth

ComforceHealth, a part of the ACS Group, provides business services to hospitals and healthcare systems throughout the United States. We drive innovation and create value for clients by providing health information management services that include medical coding, audit, clinical documentation, leadership, and education. Our skilled and educated resources understand HIPAA, PHI, and other healthcare industry requirements. Our operation centers are managed by subject matter experts who adhere to the highest standards of accuracy, delivery, and quality. For more information, please visit: www.comforcehealth.com.

About CHIA

The California Health Information Association (CHIA) is the premier association of health information management professionals in California. CHIA members are dedicated to excellence in the management of personal health information required to deliver quality healthcare to the public. CHIA, a 501(c)(3) nonprofit, was first established in 1949 and is the California state affiliate of the American Health Information Management Association (AHIMA). CHIA ensures the personal and professional growth of our members and advances the health information management community through networking, education, shared knowledge, and advocacy.
