*Refinery 29 Staffer Pens a First-Person Piece on [www.Cowboys4Angels.com](http://www.Cowboys4Angels.com) Breaking Preconceived Notions on Men for Hire*

LAS VEGAS, NV, USA, June 8, 2017 /EINPresswire.com/ -- Las Vegas, NV (June 8, 2017) — Popular women’s website [www.refinery29.com](http://www.refinery29.com) published a first-person piece called, “I Went on a Date with a Male Escort & Here’s What Happened,” written by staffer Laura Delarato, breaking preconceived notions on men for hire and can be read here <http://www.refinery29.com/dating-male-escort-gigolo-video> and includes a fly-on-the-wall perspective of their romantic date of drinks, dinner and a fun, painting class.

“I met Jax James, an escort with [www.cowboys4angels.com](http://www.cowboys4angels.com) an exclusively straight male companion agency occupying an incredibly ripped section of internet real estate,” wrote Laura Delarato. “And while we didn’t reverse-*Pretty Woman* and fall madly in love, he did make me appreciate the type of service he offers.”

Delarato, an attractive, fashionable Manhattan millennial who admits to being active on dating apps such as Tinder and Bumble, was impressed by Jax’s charm, looks, good manners and attentiveness.

“Without spoiling the date, I can say that I had a blast and was truly charmed – and most of my preconceived notions were dead wrong. Watch the video to see what happened on my date with Jax.”

Garren James is the current creative consultant for the Gigolos Showtime show and is featured on the show as the Agent/Booker for all the men appearing.

Garren James is a former international male model and started his company four years ago. At first Cowboys 4 Angels had one client per week, but after appearing on The Tyra Banks Show in 2008, his business multiplied exponentially. He now books 30+ appointments "on a slow week," represents 45 men, and receives up to 50,000 unique visits per month to his site. (According to site demographics most visitors are 35-44 years old, childless, and have attended college)

Garren James has stated that he has received over 2,000 employment requests since he has started the agency. His website states he prides himself in a rigorous Straight Male Companions screening process to make sure he has the most interesting, polite, charming, emotionally mature and healthy male escorts for clients.

Cowboys4Angels has brought a touch of class to the industry of Male Companions. Even though escort agencies are legal in the United States it seems there a social stigma related to them. On the Frequently Ask Questions page on the website it states, the reason for the stigma is the only time you hear about an escort agency is when they have crossed the line and broken the law.
