

# This Summer, Let The Honey Bees Treat You! Rice's Lucky Clover Honey Will Refresh You All Summer Long

*L.R. Rice Raw & Unfiltered Honey and Rice Family Raw & Unfiltered Honey - All Products are Kosher and Gluten-Free*

GREELEY, COLORADO , UNITED STATES, June 12, 2017

/EINPresswire.com/ -- With summer here, why not share nature's bounty with your friends and family, from the most trusted American [honey](#) company? Founded in 1924 by L.R. Rice, Rice's Lucky Clover Honey is a family owned company, and a leading producer of the highest quality raw and unfiltered honey in the U.S. Rice's Lucky Clover Honey has established and nurtured long-standing relationships with beekeeper families, allowing for quality U.S. honey to be packed in every bottle of Rice's Lucky Clover Honey. Now, Rice's Lucky Clover Honey is happy to announce the national debut of L.R. Rice Raw & Unfiltered Honey and Rice Family Raw and Unfiltered Honey.

Perfect for those hot summer days – or nights – Rice's Lucky Clover Honey is great for your BBQ, and adds a dash of natural sweetness to any marinade. This delicious honey adds a refreshing sweetness to your summer iced tea – or favorite Mocktail! Always collected from American bee hives, Rice's Lucky Clover Honey is chock full of wholesome, natural and gluten free benefits.

What sets apart this 116 year old American company from others is their commitment to local American beekeepers. The mission at Rice's Lucky Clover Honey is not only to offer the all natural raw unfiltered honey, culled from local beehives for generations, but also to help sustain the source of these wholesome sources of honey, and the viability of the local American beekeepers.

Available nationwide and online, these products offer the highest quality of honey available on the market, all locally sourced, and completely raw and unfiltered. Today, most of the honey we see is processed, robbing it of its nutritional value. All of Rice's Lucky Clover Honey products are raw and unfiltered, making them high in antimicrobial and antibacterial properties, and full of vitamins and minerals.

Along with the nutritional benefits of Rice's Lucky Clover Honey products, it tastes amazing in both hot and cold drinks and can be used in a number of delicious recipes from desserts to entrees including:

- L.R. Rice Raw & Unfiltered Honey- No Bake Peanut Butter Cookies
- L.R. Rice Raw & Unfiltered- Chocolate Cake
- L.R. Rice Raw & Unfiltered Honey – Honey Bakes Ham

“When Rice's Lucky Clover Honey first began in 1924, our family worked bee yards, extracted honey, filled and labeled glass jars, then sold products door to door in Northern Colorado,” says Ronna Rice, CEO of Rice's Lucky Clover Honey. “Now, we are thrilled that our products are available to our customer's nationwide, offering high quality, premium, raw, and unfiltered honey at affordable prices. It took a lot of hard work but it means the world to us to offer 100% pure, local United States, raw and unfiltered honey to the whole country.”

Available at locations from Whole Foods to Walmart, Rice's Lucky Clover Honey works with local beekeepers to provide honey from select regions throughout the USA.

L.R. Rice Raw & Unfiltered Honey Varieties include:

- Clover
- Wildflower
- Amber
- Local Colorado

About Rice's Lucky Honey:

L.R. Rice founded Rice's Lucky Clover Honey headquartered in Greeley, Colorado, in 1924. This women-owned, family operated company, now in its 5th generation, remains a leading producer of authentic, high quality, raw, and unfiltered honey. The company's honey is 100% pure, local United States, raw and unfiltered honey.

Rice's Lucky Clover Honey has generated significant brand equity through its commitment to producing high quality, premium, raw, and unfiltered honey at affordable prices.
