

Third edition of the (e)Book “The Ultimate Survival Guide for Business in Japan”

The Ultimate Survival Guide for Business in Japan

by *Philippe Huysveld*

"Japan Series": Book/Livre II

Editor: *Lulu.com*

PARIS, IDF, FRANCE, June 9, 2017 /EINPresswire.com/ -- "The first edition of this book was released under digital format (eBook) in 2014. In 2015, a second edition of the eBook was released, containing, besides minor changes here and there, two important additions: Chapter VII about “the Japanese Consumer Mindset” and Chapter XI about “3 Keys for Success in Japan”. In 2017, the third edition is being released with a new Table of Contents and a revision of Chapter XI, becoming “5 Keys for Success in Japan”.

This book is targeted at business executives of companies:

- approaching the Japanese Market,
- reviewing their options in terms of Japan Entry Strategy,
- already exporting to Japan (Indirect Sales) or,
- already established and doing business in Japan (Direct Sales).

In this book, we show:

- That the Japanese Market is a great market to approach and that, provided the right methodology and marketing mix, there are great opportunities to seize in the long-term for foreign companies.
- That it is necessary to get familiar with cross-cultural differences and to understand better your Japanese clients, their country, their culture and their business system.
- How to market your products or services in Japan (B2C and B2B Marketing Guidelines).
- Which Entry Strategies are available to foreign companies to choose from and guidelines for selection."
