"We had our home listed with two other agents prior to using Rudy Kusuma Homeselling System but our house didn't sell"

Our Home is Finally SOLD for 99% of asking for \$1,756,000!!!

"We had our home listed with 2 other agents prior to using Rudy Kusuma Homeselling System but our house didn't sell. We tried to sell it in 2009 for 1,398,000 and in 2012 for 1,368,000 with 2 different agents in the area, but it didn't sell. When we decided to let Rudy's Team do the job for us, we knew immediately that we would have a different experience. I decided on calling Rudy because he sold my neighbor's home on 1306 Greenfield for 109% of asking, which was the highest sale in the neighborhood at that time and also because of his reputation for being able to sell house quickly, especially houses that other agents haven't been able to sell. **Rudy advertises our house more, and his team members are more knowledgeable and professional.** He has more tools to sell our home than any of the two other agents combined. **Rudy Kusuma actually brought the buyer and we had multiple offers on the house.** We ended up selling in a short time for **99% of the asking price for \$1,756,000.** Not only did Rudy help us to sell the house in a short period of time, but his team has also helped us negotiated the best price for our new home. Rudy Kusuma's home selling system is totally different from what anyone else is doing. I definitely recommend Rudy's Kusuma's services whether you're buying or selling a home.
