

London Offices' New Article Shows the Best of London's Breakout Office Spaces

London Offices' "Top 5 London Offices to Rent with Amazing Breakout Spaces" is Now on the Web and Can Convince Anyone of Getting Work Space in London.

ALDGATE, LONDON, ENGLAND, June 13, 2017 /EINPresswire.com/ -- [London Offices](#) is a leading office broker that has over 15 years' experience in finding business office solutions available in London and "assist(s) everyone from tech startups through to multinational corporates in their search for office space."

Recently, London Offices' released a blog article titled "[Top 5 London Offices to Rent with Amazing Breakout Spaces](#)" that shows off five very different, but incredible, office spaces available in London.

The spaces featured in the article vary from modern, open and stylish designs, to classy and traditional corporate spaces.

The spaces include:

- Fora – Central Street: the ultimate "feel at home" workspace with forward-thinking and luxuriously stylish break-out areas.
- The Space – High Holborn: the building's industrial feel paired with the contemporary and open design is right on trend and the reason this space is highly desirable.
- Halkin – Brook Street: ornate pillars, draping curtains, grand matching furniture and traditional wood features make this space classy and unique.
- BE Offices – Threadneedle Street: this office design combines smart and professional with comfy and simple. The break-out spaces really offer an area for everyone.
- One Avenue – Lavington Street: plentiful in color, with retro accessories and vintage looking furniture, this space is cozy and is bound to bring out creativity.

If you use [London Offices' services](#), every aspect of finding and negotiating terms for office space will be considered for you. The best part? It's all free!

London Offices' earns an industry approved standard fee from office providers for new introductions.

This means no costs are incurred for you or your business.
