After being available in the UK, Whovian Companions is now launching in the USA hoping to help whovians meet their companions in time and space.

LONDON, GREATER LONDON, UK, June 13, 2017 /EINPresswire.com/ -- [Whovian](#) Companions (a dating site for [Doctor Who](#) lovers) is offering free lifetime membership for their launch in the USA to their Americans members.

“

More than 1 000 000 single whovians (Doctor Who fans) are living in the USA”
Whovian Companions

More than 1 000 000 single whovians (Doctor Who fans) are living in the USA, talking to someone who has the same passion as you have is the best ice breaker when talking to new people - this is the base for a lot of successful

relationships. Just like in the UK, the USA is home to a big Doctor Who fandom.

Whovian Companions allow its members to display their favorite Doctor and/or companions on their profile, this is taken into account when calculating the match score between two members.

After being available in the UK, Whovian Companions is now launching in the USA hoping to help the whovians there meet their companions in space and time.

To celebrate this launch, the company has decided to give a free lifetime membership to the USA users registering on the site, this promotion will last for the first 2000 members and/or until the 30th June 2017. Just contact the support after you registered to get your lifetime membership.

On the [UK site](#), new users can register for free and get their first membership month for just £1.
