

# NexorONE®, The Online Banking Software Solution™, integrates with WaveCrest®, Transforming Payment Solutions™

*This new NexorONE® integration will allow the users to have access to the wide variety of Digital Payment Solutions offered by WaveCrest®.*

PANAMA CITY, PANAMA, September 4, 2017 /EINPresswire.com/ -- [NexorONE®](#), the leading Online Banking Software Solution™ is pleased to announce the Full Platform Integration Capability with [WaveCrest](#) Group, a Global Digital

Payments Provider. This integration will enable all NexorONE® clients the capability to issue and manage prepaid MasterCard and Visa cards - as well as have access to a wide array of additional solutions.

## About WaveCrest:

WaveCrest Holdings Limited in Europe is a regulated e-money issuer and a principal member of Mastercard and Visa EU. WaveCrest Payment Services of the Americas, Inc. is a FinCEN-registered prepaid access provider and an issuer of Discover Network prepaid cards.

WaveCrest is a licensed E-Money issuer (FSC0056NK) under the Financial Service Commission of Gibraltar and has passported its license to all EEA/EEU states. The company is a Principal Member of Mastercard in Gibraltar and the UK, and a Principal Member of Visa in Gibraltar.

WaveCrest is a founding member of the Gibraltar Electronic Money Association (GEMA). GEMA is a nonprofit association represented by electronic money issuers who are dedicated to progress e-money and innovative payment solutions and position Gibraltar as an international center for Payment Service Providers.

WaveCrest simplifies corporate disbursements with MyChoice – a prepaid debit card that allows businesses to streamline commission, business, incentive, and travel payments and control expenditures with convenience, flexibility, and security.
