Cloud segment accounted for the major share owing to the existing trends of development in cloud technology. North America accounted for the largest share in the market. Increasing awareness about the benefits of Software Defined Security is expected to drive the market in this region. Lots of companies are deliberately adding resellers and suppliers associates in their marketing channel in the region to influence the potential market and are boosting their market reach.

Some of the key players in Software-Defined Security Market include Juniper Networks, Inc., Symantec Corporation, Hillstone Networks Inc., Cisco Systems, Inc., Palo Alto Networks, Inc., Check Point Software Technologies Ltd., EMC Corporation, Certes Networks Inc., Versa Networks, Inc., Catbird Networks, Inc., Fortinet, Inc., Intel Corporation, CloudPassage, Inc. and VMware, Inc.

Components covered:

Services

Consulting

Integration and Testing

Support and Maintenance

Training and Education

Solutions

Control Automation and Orchestration Solution

Performance Management and Reporting

Security Compliance and Policy Management

Security Software

Enforcement Points covered:

Network Security Gateway
Application and Mobile Device Security
Virtual Machines/Server/Storage Security
Others Enforcement Points

End Users covered:

Telecom Service Providers
Cloud Service Providers
Enterprises
Banking, Financial Services, and Insurance
Defense
Education
Government
Healthcare
Information Technology Enabled Services
Media and Entertainment
Other Enterprises

Deployment Modes covered:

On Premises
Cloud

Regions Covered:

North America
US
Canada
Mexico
Europe
Germany
France
Italy
UK
Spain
Rest of Europe
Asia Pacific
Japan
China
India
Australia
New Zealand
Rest of Asia Pacific
Rest of the World
Middle East
Brazil
Argentina
South Africa
Egypt

What our report offers:

- Market share assessments for the regional and country level segments
- Market share analysis of the top industry players
- Strategic recommendations for the new entrants
- Market forecasts for a minimum of 7 years of all the mentioned segments, sub segments and the regional markets
- Market Trends (Drivers, Constraints, Opportunities, Threats, Challenges, Investment Opportunities, and recommendations)
- Strategic recommendations in key business segments based on the market estimations
- Competitive landscaping mapping the key common trends
- Company profiling with detailed strategies, financials, and recent developments
- Supply chain trends mapping the latest technological advancements

Major Points From The Table Of Contents:

Executive Summary

Preface

Market Trend Analysis

Porters Five Force Analysis

Global Software Defined Security Market, By Component

Global Software Defined Security Market, By Enforcement Point

Global Software Defined Security Market, By End User

Global Software Defined Security Market, By Deployment Mode

Global Software Defined Security Market, By Geography

Key Developments

Company Profiling

List Of Tables:

1 Global Software Defined Security Market, By Region

2 Global Software Defined Security Market, By Component

3 Global Software Defined Security Market, By Services

4 Global Software Defined Security Market, By Consulting

5 Global Software Defined Security Market, By Integration and Testing

6 Global Software Defined Security Market, By Support and Maintenance

7 Global Software Defined Security Market, By Training and Education

8 Global Software Defined Security Market, By Solutions

9 Global Software Defined Security Market, By Control Automation and Orchestration Solution

10 Global Software Defined Security Market, By Performance Management and Reporting

11 Global Software Defined Security Market, By Security Compliance and Policy Management

12 Global Software Defined Security Market, By Security Software

13 Global Software Defined Security Market, By Access Control, Ids and Ips

14 Global Software Defined Security Market, By Data Loss Prevention

15 Global Software Defined Security Market, By Risk Analytics and Visualization

16 Global Software Defined Security Market, By Other Security Softwares

17 Global Software Defined Security Market, By Enforcement Point

18 Global Software Defined Security Market, By Network Security Gateway

19 Global Software Defined Security Market, By Application and Mobile Device Security

20 Global Software Defined Security Market, By Virtual Machines/Server/Storage Security

About Us:

Orbis Research (orbisresearch.com) is a single point aid for all your market research requirements. We have vast database of reports from the leading publishers and authors across the globe. We specialize in delivering customized reports as per the requirements of our clients. We have complete information about our publishers and hence are sure about the accuracy of the industries and verticals of their specialization. This helps our clients to map their needs and we produce the perfect required market research study for our clients.
