

India and South East Asia Upcoming Energy & Infrastructure Projects–By Upcoming Oil & Gas Projects in India 2017

PUNE, MAHARASHTRA, INDIA, June 21, 2017 /EINPresswire.com/ --

SUMMARY

WiseGuyReports published new report, titled “Upcoming Energy & Infrastructure Projects in India and South East Asia”.

India is on the verge to witness a major transformation not only in terms of its social stature but in economic repute too. With correct measures taken into the right directions, India seems moving forward to take a centrifugal position in many areas of international affairs. Energy and infrastructure development is one such avenue in India that has already created its own space on the international podium and is gaining limelight from many of the global repute companies, courtesy which the Indian energy & infrastructure segment is anticipated to become a US Dollar Trillion market by FY' 2020-21.
