Learningonline.xyz among top global learning organizations to be named Learning! 100 winner by Elearning! Media Group.

CUPERTINO, CA, UNITED STATES, June 21, 2017 /EINPresswire.com/ -- Learningonline.xyz continues to add to its growing list of recognitions in Learning & Developmental programs with the 2017 Elearning! Media Group's (EMG) Learning! 100 Award. The award recognizes and honors the top 100 American organizations for their best-in-class learning and development programs.

The Elearning! Media Group's (EMG) Learning! 100 Awards recognize excellence in learning across enterprises that invest in a truly immersive learning culture. Previous Learning! 100 honorees have included Amazon Web Services, AT&T, American Heart Association, Salesforce, NASCAR, Defense Acquisition University, and Scripps Health.

With the market for EdTech quoted to have reached over \$50 billion, with a very healthy annual growth rate, it is evident how popular eLearning has become both in the educational sector and specific industries where fast customization is required. In addition to the convenience that eLearning provides with online education, its popularity is also due to its widespread reach and affordability for 21st-century learners.
