

# Manufacturing Execution Systems Market in Process Industries 2017 Global Market Size, Status and Forecast to 2020

PUNE, INDIA, June 21, 2017 /EINPresswire.com/ -- WiseGuyReports.Com Publish a New Market Research Report On - "Manufacturing Execution Systems Market in Process Industries 2017 Global Market Size, Status and Forecast to 2020".

The analysts forecast the global [manufacturing execution systems \(MES\)](#) market in process industries to grow at a CAGR of 16.86% during the period 2016-2020.

Manufacturing execution systems (MES) had become popular in the mid-1990s, mainly in the semiconductor industry. These systems proliferated in other industrial applications that required improved shop floor control and visibility through real-time data collection and data analysis. MES help to manage and monitor work in a plant and on the field. These systems track all production processes through real-time data intelligence, improving efficiency and productivity, and ensuring quality products in a cost-effective and timely manner. They track minute-by-minute record of production, maintenance, distribution, quality, and labor operations irrespective of the physical location of the manufacturing units.

Covered in this report

The report covers the present scenario and the growth prospects of the global manufacturing execution systems (MES) market in process industries for 2016-2020. To calculate the market size, we consider the revenue generated from sales and aftermarket services of MES in process industries.

The market is divided into the following segments based on geography:  
Americas

APAC  
EMEA

The report, Global Manufacturing Execution Systems (MES) Market in Process Industries 2016-2020, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

#### Key vendors

- Emerson Electric
- GE
- Rockwell Automation
- Schneider Electric
- Siemens

#### Other prominent vendors

- ABB
- Accenture
- Dassault Systèmes
- Honeywell International
- HCL Technologies
- Hitachi
- MPDV
- Parsec Automation
- SAP
- TCS
- WERUM IT Solutions
- Wipro

#### Market driver

- Shift toward paperless production environment
- For a full, detailed list, view our report

#### Market challenge

- Need for high capital investment
- For a full, detailed list, view our report

#### Market trend

- Process industries moving toward cloud-based MES deployments

PART 03: Market research methodology

- Research methodology
- Economic indicators

PART 04: Introduction

- Key market highlights

PART 05: Market landscape

- Global MES market in process industries
- Five forces analysis

PART 06: Market segmentation by end-user

- Global MES market in chemical industry
- Global MES market in oil and gas industry
- Global MES market in pharmaceutical industry
- Global MES market in food and beverage industry
- Global MES market in power generation industry
- Global MES market in other process industries

PART 07: Geographical segmentation

- MES market in process industries in the Americas
- MES market in process industries in APAC
- MES market in process industries in EMEA

PART 08: Market drivers

PART 09: Impact of drivers

PART 10: Market challenges

PART 11: Impact of drivers and challenges
