BANGKOK, THAILAND, June 22, 2017 /EINPresswire.com/ -- PHAKKARIN PHUISU NAMED BUSINESS DEVELOPMENT DIRECTOR FOR T3 AVIATION GROUP

T3 continues to expand with the addition of a NEW BUSINESS DEVELOPMENT DIRECTOR – Bangkok, Thailand - June 15, 2017 – Previously a Field Manager for Thai-Samsung Life Insurance, Phakkarin brings a wealth of Business Development and Sales experience to our growing team. We identified the need to have a Thai/English speaking team member to manage our sales efforts and regional business development. “Phakkarin has already made great contributions to our team and our clients are extremely happy that we took this step to improve communications and offer a clear channel to articulate their needs in their native language. “In the past, we have always heard “lost in translation” and that was just part of doing business in Asia. We at T3 do not subscribe to such a mindset and have made communication a top priority to ensure our client’s expectations are met” said Mark Thibault, Founder-Director of T3 Aviation Group.
