

cFocus Software sponsors AFCEA Army Intelligence Industry Day 2017

LARGO, MD, USA, June 22, 2017 /EINPresswire.com/ -- cFocus Software Incorporated announces that we are sponsoring AFCEA's annual Army Intelligence Industry Day 2017, which will be held on June 29, 2017.

The Army Intelligence Industry Day brings together key leaders from Army Force Development, Army Intelligence, Army Science and Technology (S&T), and Army Acquisition to help industry gain insights on the technologies, capabilities, and services required to support Army Intelligence in the future. This year, MG John G. Ferrari, U.S. Army G-8, Director of Program Analysis and Evaluation will deliver a keynote address and describe how Army Intelligence fits within the budget. The agenda includes panels and breakout sessions that share specific Army intelligence information.

The industry day details are as follows:
Date: June 29, 2017

We value our collaboration with AFCEA, and we look forward to attending the event and finding out Army Intelligence plans for industry this fiscal year.”
