Study Objectives of Hydroponics Forecast to 2022

- To provide driving factors for the global Hydroponics market through 2015 to 2022
- To provide the major factors need to be addressed for wide scale adoption of hydroponics through the forecast years
- To understand the supply and demand dynamics
- To provide strategic profiling of key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- Analysis of historical market trends, and technologies, and current government regulatory requirements
- To provide strategic profiling of key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market

Target Audience

- Greenhouse equipment manufacturers
- Large scale vegetable producers

- Horticultural input companies
- Retailers
- Government organization

Key Players

- Village Farms International
- Thanet Farms
- Pegasus Agritech
- James Foskett Farms
- Terra Tech
- Growlife
- American Hydroponics
- General Hydroponics

Key Findings

- The soil-less farming technique (hydroponics) is poised to grow over USD 27.29 Billion by 2022 at an estimated CAGR of 6.39% from 2015 to 2022
- Hydroponic crop value in Europe will be lower than the global average at a steady 5.28% CAGR, growing from USD 9.8 Billion in 2014 to USD 13.38 Billion in 2022
- Developing countries of Middle East and Africa will continue contributing smaller shares to the global hydroponic crop value through the forecast period
- Tomatoes are the largest contributor to the global hydroponic crop value and will continue with this dominance during the forecast period

Country Analysis of Global Hydroponics Market Forecast to 2022 Market

As per the MRFR analysis, the global market for hydroponics has witnessed continued demand during the last few years and is projected to reach USD 27.29 Billion by 2022, at a CAGR of 6.39% during the forecasted period.

The reports also cover country level analysis:

- North America
- Europe
- APAC
- Rest of the World
