

# SEO Agency Focuses on Real Estate SEO

*New Orleans SEO agency moves focus to Real Estate SEO*

NEW ORLEANS, LA, UNITED STATES, June 22, 2017 /EINPresswire.com/ -- DEAN Knows, a New Orleans based Search Engine Optimization agency is changing their focus specifically to Real Estate SEO.

After four years of successfully implementing digital marketing strategies for a variety of industries and companies, DEAN Knows is now offering Search Engine Optimization services for the real estate industry.

With the internet now playing such an intimate role in the real estate transactions, DEAN Knows believes that real estate SEO is critical for any real estate broker to have long term success.

“

With over 14 years of experience in the real estate industry, specific to technology and marketing, DEAN Knows is excited to move into the real estate search engine optimization industry.”

With the nationwide real estate portals dominating search results on the major search engines, DEAN Knows has built out the infrastructure to rank local brokers for the same search phrases.

The new system includes:

- Custom built real estate websites with IDX for displaying all real estate listings
- On-Page SEO included in all web designs
- Copy writing services by professional real estate copywriters
- A proprietary social media syndication system
- Network of real estate websites to publish additional content

This new service is predominately been created for real estate brokers but could be utilized for larger agents and teams that have a long term digital marketing strategy.
